Accreditation for Pharmacists and Pharmacy Technicians
The American Society of Health-System Pharmacists is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

Target Audience
This activity was planned to meet the educational needs of pharmacists and pharmacy technicians who practice in specialty pharmacy.

Activity Overview
Clinical pharmacists have been embedded in primary care settings, but have the skillset to optimize patient care in specialty settings. Discussion will review how pharmacists can develop services in new therapeutic areas relating to specialty pharmacy.

Learning Objectives
- Identify specialty therapeutic areas to target for development of new clinical services.
- Discuss business plan development, including the operations of embedding pharmacists.
- Describe how to implement, sustain, and track outcomes associated with new clinical specialty service lines.

amount occurring in the last 12 months with a commercial interest whose products or services are discussed in the activity content over which the individual has control.

As defined by ACCME, a commercial interest is any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. The Standards for Commercial Support do not consider providers of clinical service directly to patients to be commercial interests. The existence or non-existence of relevant financial relationships will be disclosed to the activity audience. All identified conflicts of interest must be resolved prior to the activity.

- All planners, presenters, reviewers, and ASHP staff report no financial relationships relevant to this activity.

Methods and CE Requirements

This activity consists of a recordings of faculty slides presentations, active learning activities, discussion, and handouts. Participants must participate in the activity in its entirety to claim continuing pharmacy education credit online at ASHP eLearning Portal. Follow the prompts online to complete the evaluation, claim credit and view the statement of credit immediately after completing the activity.

Per ACPE requirements, CPE credit must be claimed within 60 days of being earned. Claim your CE at http://elearning.ashp.org. Once you have processed and claimed your CE credit, we encourage you to check your NABP eProfile account to verify your credits were transferred successfully before the ACPE 60-day deadline. It is an electronic direct-report process so your credits should appear in your account within a few minutes. After the 60 day deadline, ASHP will no longer be able to report your credit(s) for this activity.
