Accreditation for Pharmacists and Pharmacy Technicians
The American Society of Health-System Pharmacists is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

Target Audience
This activity was planned to meet the educational needs of pharmacists and pharmacy technicians who practice in specialty pharmacy.

Activity Overview
This presentation will discuss best practices for health system specialty pharmacies to engage with pharma and maximize the health system/pharma relationship.

Learning Objectives
- Describe the value of health system specialty pharmacy relationships with pharma.
- Identify mutually beneficial goals for the health system specialty pharmacy and pharma.
- Give examples of engagement plans with pharma.

Schedule of Educational Activities
- Introduction and Announcements
- Presentation
- Questions, Answers, and Discussion

Faculty Information
- Lisa Blanchette, Pharm.D., MHA, BCPS-AQ ID, Director of Specialty and Infusion Pharmacy Services, Novant Health, Charlotte, NC

Faculty Disclosures
In accordance with the ACPE’s and ACCME’s Standards for Commercial Support, anyone in a position to control the content of an educational activity is required to disclose to the accredited provider their relevant financial relationships. In accordance with these Standards, all potential conflicts of interest have been resolved. An individual has a relevant financial relationship if he or she (or spouse/domestic partner) has a financial relationship in any amount occurring in the last 12 months with a commercial interest whose products or services are discussed in the activity content over which the individual has control.
Activity Announcement

As defined by ACCME, a commercial interest is any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. The Standards for Commercial Support do not consider providers of clinical service directly to patients to be commercial interests. The existence or non-existence of relevant financial relationships will be disclosed to the activity audience. All identified conflicts of interest must be resolved prior to the activity.

- All planners, presenters, reviewers, and ASHP staff report no financial relationships relevant to this activity.

Methods and CE Requirements

This activity consists of a recordings of faculty slides presentations, active learning activities, discussion, and handouts. Participants must participate in the activity in its entirety to claim continuing pharmacy education credit online at ASHP eLearning Portal. Follow the prompts online to complete the evaluation, claim credit and view the statement of credit immediately after completing the activity.

Per ACPE requirements, CPE credit must be claimed within 60 days of being earned. Claim your CE at http://elearning.ashp.org. Once you have processed and claimed your CE credit, we encourage you to check your NABP eProfile account to verify your credits were transferred successfully before the ACPE 60-day deadline. It is an electronic direct-report process so your credits should appear in your account within a few minutes. After the 60 day deadline, ASHP will no longer be able to report your credit(s) for this activity.

System Technical Requirements

Courses and learning activities are delivered via your Web browser and Acrobat PDF. Users should have a basic comfort level using a computer and navigating web sites.

View the minimum technical and system requirements for learning activities.
