<p>ACPE #: 0204-0000-19-712-H04-P 0204-0000-19-712-H04-T</p> <p>CE Hours: 1.00 Activity Type: Knowledge</p>	<p>Title: EMAR, BCMA, and Smart Pumps: The Last Lines of Defense Against Medication Errors</p> <p>This activity discusses the workflow benefits and challenges associated with electronic medication administration records (EMAR), barcoded medication administration (BCMA), and smart pumps.</p> <p>Learning Objectives:</p> <ul style="list-style-type: none"> • Review potential benefits of electronic medication administration records (EMAR) documentation over traditional paper based documentation workflows. • Describe basic EMAR functionality, and challenging workflows associated with EMAR documentation. • Evaluate the impact of barcoded medication administration (BCMA) on EMAR workflow and medication safety. • Identify benefits, limitations, and important features found in smart pump use. • List opportunities for CDS associated with the use of EMARs, BCMA, and smart pumps.

Disclosures

In accordance with the ACPE's and ACCME's Standards for Commercial Support, all those in a position to control the content of an educational activity is required to disclose to the accredited provider their relevant financial relationships. *An individual has a **relevant financial relationship** if he or she (or spouse/domestic partner) has a financial relationship in any amount occurring in the last 12 months with a commercial interest whose products or services are discussed in the activity content over which the individual has control.* In accordance with these Standards, all potential conflicts of interest have been resolved.

Activity Announcement

As defined by ACCME, a **commercial interest** is any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. The Standards for Commercial Support do not consider providers of clinical service directly to patients to be commercial interests.

- **All planners, presenters, reviewers, and ASHP staff report no financial relationships relevant to this activity.**

Methods and CE Requirements

This online activity consists of a combined total of 20 learning modules. Pharmacists and pharmacy technicians are eligible to receive a total of 21.00 hours of continuing education credit by completing all 20 modules within this certificate program.

Participants must participate in the entire activity, complete the evaluation and all required components to claim continuing pharmacy education credit online at ASHP eLearning Portal. Follow the prompts to claim credit and view your statement of credit within 60 days after completing the activity.

Important Note – ACPE 60 Day Deadline:

Per ACPE requirements, CPE credit must be claimed within 60 days of being earned – no exceptions! To verify that you have completed the required steps and to ensure your credits have been reported to CPE Monitor, we encourage you to check your NABP eProfile account to validate your credits were transferred successfully before the ACPE 60-day deadline. After the 60 day deadline, ASHP will no longer be able to award credit for this activity.

System Technical Requirements

System Requirements Courses and learning activities are delivered via your Web browser and Acrobat PDF. Users should have a basic comfort level using a computer and navigating web sites.

View the [minimum technical and system requirements](#) for learning activities.
