<p><b>ACPE #:</b> 0204-0000-19-710-H04-P 0204-0000-19-710-H04-T</p> <p><b>CE Hours: 1.00</b> <b>Activity Type: Knowledge</b></p>	<p><b>Title: Project Management: Tools &amp; Techniques and Challenges</b></p> <p>This activity discusses challenges a health information technology project may encounter and the importance of managing and communicating with the key stakeholders of the project.</p> <p><b>Learning Objectives:</b></p> <ul style="list-style-type: none"> <li>• Describe potential project challenges encountered during a project's life cycle.</li> <li>• Explain how to use tools and technique to help the team understand the purpose of a project.</li> <li>• List three ways to keep key stakeholders informed of the status of a project.</li> <li>• Explain the interpersonal dimensions of project management: leadership, team dynamics, influencing and negotiating.</li> </ul>

### Disclosures

In accordance with the ACPE's and ACCME's Standards for Commercial Support, all those in a position to control the content of an educational activity is required to disclose to the accredited provider their relevant financial relationships. *An individual has a **relevant financial relationship** if he or she (or spouse/domestic partner) has a financial relationship in any amount occurring in the last 12 months with a commercial interest whose products or services are discussed in the activity content over which the individual has control.* In accordance with these Standards, all potential conflicts of interest have been resolved.

As defined by ACCME, a **commercial interest** is any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. The Standards for Commercial Support do not consider providers of clinical service directly to patients to be commercial interests.

- **All planners, presenters, reviewers, and ASHP staff report no financial relationships relevant to this activity.**

## Activity Announcement

### Methods and CE Requirements

---

This online activity consists of a combined total of 20 learning modules. Pharmacists and pharmacy technicians are eligible to receive a total of 21.00 hours of continuing education credit by completing all 20 modules within this certificate program.

Participants must participate in the entire activity, complete the evaluation and all required components to claim continuing pharmacy education credit online at ASHP eLearning Portal. Follow the prompts to claim credit and view your statement of credit within 60 days after completing the activity.

#### **Important Note – ACPE 60 Day Deadline:**

Per ACPE requirements, CPE credit must be claimed within 60 days of being earned – no exceptions! To verify that you have completed the required steps and to ensure your credits have been reported to CPE Monitor, we encourage you to check your NABP eProfile account to validate your credits were transferred successfully before the ACPE 60-day deadline. After the 60 day deadline, ASHP will no longer be able to award credit for this activity.

### System Technical Requirements

---

System Requirements Courses and learning activities are delivered via your Web browser and Acrobat PDF. Users should have a basic comfort level using a computer and navigating web sites.

View the [minimum technical and system requirements](#) for learning activities.
