Accreditation for Pharmacists

The American Society of Health-System Pharmacists is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

Target Audience

This continuing pharmacy education activity is designed for pharmacy practitioners serving as residency preceptors.

Activity Overview

Participants will learn the process used by preceptors at the Methodist University Hospital, the program recipient of the Residency Excellence Awards, with pharmacy resident research development. After considering the supporting literature and other health-system practices, guidance will be provided on engaging residents to see the project through to publication, with helpful tips for writing a manuscript.

Learning Objectives

- Identify processes for resident research development that can be implemented into your residency program
- Discuss the current literature surrounding the pharmacy resident research process
- Describe the art of publication and a framework for attainment

Schedule of Educational Activities

- Research - Methodist Research Development Series
- Publication - Writing a Manuscript, Journal Selection, Persistence in Publishing
- Program Development - Framework to achieve research goals

ASHP eLearning Portal. Follow the prompts online to complete the evaluation, claim credit and view the statement of credit immediately after completing the activity.

Per ACPE requirements, CPE credit must be claimed within 60 days of being earned. Claim your CE at <http://elearning.ashp.org>. Once you have processed and claimed your CE credit, we encourage you to check your NABP eProfile account to verify your credits were transferred successfully before the ACPE 60-day deadline. It is an electronic direct-report process so your credits should appear in your account within a few minutes. After the 60 day deadline, ASHP will no longer be able to report your credit(s) for this activity.

Disclosures

In accordance with the ACPE's and ACCME's Standards for Commercial Support, anyone in a position to control the content of an educational activity is required to disclose to the accredited provider their relevant financial relationships. An individual has a relevant financial relationship if he or she (or spouse/domestic partner) has a financial relationship in any amount occurring in the last 12 months with a commercial interest whose products or services are discussed in the activity content over which the individual has control. In accordance with these Standards, all potential conflicts of interest have been resolved.

As defined by ACCME, a commercial interest is any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. The Standards for Commercial Support do not consider providers of clinical service directly to patients to be commercial interests. The existence or non-existence of relevant financial relationships will be disclosed to the activity audience. All identified conflicts of interest must be resolved prior to the activity.

- All planners, presenters, reviewers, and ASHP staff of this session report no financial relationships relevant to this activity.
